

VOLUNTEER HOURS OPPORTUNITY:

GRAND VALLEY AGRICULTURAL SOCIETY 2016

POSITION: CREATIVITY ACTIVITY ASSISTANT

REPORTS TO: CREATIVITY ACTIVITY COMMITTEE or G.V.A.S. DIRECTOR

HOURS: 5 MAXIMUM

DATE: JULY & AUGUST – ONE EVENT EACH MONTH

Want to help us to create the best crafts, ever?

Like working with kids and have a knack with arts and crafts? Want to be a student mentor? Help with the Creativity Activity Stations, indoors, featuring arts and crafts associated with this year's Grand Valley Fall Fair theme: Butterflies & Honeybees. You and members of the team will rotate through craft stations. It's messy and inspiring family fun with lots of interaction with kids of all ages! You're responsible and friendly and can take direction from the Grand Valley Agricultural Society members. You'll be given instruction and trained for guest safety, courtesy and fun. Up to 4 students may be chosen for the team of craft assistants. You will be committing to volunteering one morning each month, including set-up assistance and breakdown for other programming in the same space. You will need to provide your own transportation, for the day. The event will be held at the Grand Valley Community Centre- upstairs in the Early Years Centre.

Please send your Cover Letter e-mail and/or Life Experience Resumes before midnight - Sunday June 30th, 2016 to gvagsociety@live.com or through the Grand Valley Agricultural Society's website at www.grandvalleyfallfair.ca
