Like to help things run smoothly from start to finish? Want to earn Community Service Hours outdoors as well as indoors? Assist the Grand Valley Fall Fair to keep guests happy and safe in a wide variety of roles. You and members of the team will rotate through the grounds and parking spaces with a special ID badge, with regular breaks and a meal provided. You're diligent about keeping things from getting messy, and are responsible and friendly and can take direction from the Grand Valley Fall Fair Ambassador. You'll be given instruction and trained for guest safety, courtesy and sticking to the rules – including parking policies. Up to 4 students may be chosen for the team of floating support students. You will be committing to Saturday morning and afternoon and Sunday morning and afternoon, including set-up assistance and breakdown of the Fair with others. You're physically able to lift, move and you're eager to help Grand Valley Fall Fair staff. This event runs rain or shine, so please dress accordingly! You will need to provide your own transportation, for each day.
